

- A checklist of graduation requirements is available in the Course Description document for 2008-2009 that is posted on the website: <http://www.rhsseattle.org>.
 - Most 9th graders will be placed in the 2-period block for Language Arts and Social Studies. They will also take 9th grade science and health. Choose three additional classes per semester (this will include math). Please include alternate electives in the lower grid.
 - Indicate your choices on this option sheet by checking the box and writing the course name and number in the appropriate grid. Remember that a year-long course is really two courses—one per semester.
 - Students from outside Seattle Public Schools should have their current math teacher recommend correct placement in our Integrated Math series. (Math Improvement 1 is for some students who are also taking Math 1.)
 - If you are starting a World Language, please also list an alternate language on the alternate elective line.
 - In the Family/Consumer Science department, the Independent Living course is the prerequisite for the Nutrition or Children courses.
 - 9th grade students who were enrolled in middle school band or jazz band should sign up for Cadet Band. Auditions are necessary for Jazz Band and Jazz Lab (an after-school, non-credit activity). Information about auditions is available on the RHS jazz website: www.rooseveltjazz.org. Auditions for incoming students (specific date depends on instrument) will take place in August in the Roosevelt band room. For Symphonic Band, please see Mr. Brown in September.
 - Auditions are necessary for Symphony and Chamber Orchestra. Auditions for incoming students will be held June 10 & 11 from 2:30 pm. Call 252-4948 to make an appointment with Ms. Edwards. In the meantime, string players should sign up for Orchestra-9. Other instrumentalists should sign up for Cadet Band.
 - The Theatre Tech classes are involved with producing all the plays and the annual musical: sets, costumes, tickets, lighting, sound, etc. For more information, please call 252-4864 to speak with Mr. Van Kempen. These classes qualify for Occupational Education credit.
 - Experienced Drama students who wish to enroll directly in Drama II without the Drama I prerequisite **must** email Mr. Van Kempen <ruvankempen@seattleschools.org> to arrange an audition.
 - Auditions are necessary for the musical cast. Auditions are held in early December. The schedule adjustment for 2nd semester will be made then.
- ❖ **ESL teachers will sign for ESL classes. Please call 252-4810 to arrange a conference with Ms. Sizer, the ESL Department chair, if you are a newly assigned ESL student.**
- ❖ **Special Education students will be scheduled by the Special Education Department. Parents of students receiving Special Education services need to contact Hal Johnston, Special Education Department chair, at 252-4954, to schedule an in-take appointment. This should take place before April 30. *Schedules can not be developed until this meeting takes place.* We want to ensure that Special Education students have appropriate classes and services.**

Name and ID #: _____

Current School: _____

Grade: _____

Choose classes for each semester. Courses that are year-long include 2 classes. Check the box and fill in the course name and number in the grid provided. Include alternatives for electives in the second grid. For ESL and Special Ed classes, please see the back of this sheet. Private school students should get a math recommendation from the current teacher. If you are attending a SPS middle school, please have this form ready to turn in when (if) our counselors visit your school—otherwise please mail it in as soon as possible.
